SCHEDULING ORDER

On May 28, 2010, Vermont Electric Cooperative, Inc. ("VEC"), filed a letter with attached "Revised Proposed Schedule" with the Vermont Public Service Board ("Board"). In its letter, VEC states that it has changed the deadlines for intervention and responses to intervention due to a previous date change, made by the Clerk of the Board, to reschedule the site visit and public hearing from May 18, 2010, to June 8, 2010.¹ VEC represents that the Department of Public Service and the Agency of Natural Resources consent to the revised schedule.

I will interpret VEC's letter as a motion to amend the schedule in this docket. Having reviewed VEC's proposal, and in the absence of any objections from the other parties, I adopt the proposed revised deadlines. Thus, the schedule for the remainder of this proceeding is as follows:

1. I note that the originally proposed site visit/public hearing date of May 18 was tentative and subject to confirmation by the Clerk of the Board, as discussed at the prehearing conference held on April 8.

June 8, 2010	Site Visit/Public Hearing
June 17, 2010	Second round of DPS and ANR discovery; first round of discovery by any parties granted intervention
June 22, 2010	Deadline for Intervention Motions (Motions may be filed at any time prior to the deadline. Other parties shall file responses to such motions within 7-calendar days of the date the motion is filed.)
June 24, 2010	Responses to discovery requests
July 1, 2010	Status report due from VEC. If the parties file a Stipulation and Proposal for Decision on this date, then a hearing date will be set to accept the evidence. If the parties cannot stipulate, the parties shall file a proposed or stipulated schedule for the remainder of the proceeding.
July 14, 2010	Technical Hearing (Tentative)

SO ORDERED.

Dated at Montpelier, Vermont, this 28th day of May, 2010.
